

Teaching and Learning for Student Success

Most memorable teachable
moment . . .

Student Success

Student Success Pathway

Roadmap to completion that includes connected courses, programs, and support services.

- Students make informed decisions
- Students progress through effective learning pathways that lead to valuable credentials, without unnecessary detours
- Students are provided integrated, targeted supports and interventions when they are most effective

Teaching and Learning

**Can teaching occur
without learning?**

- **Can learning occur
without teaching?**

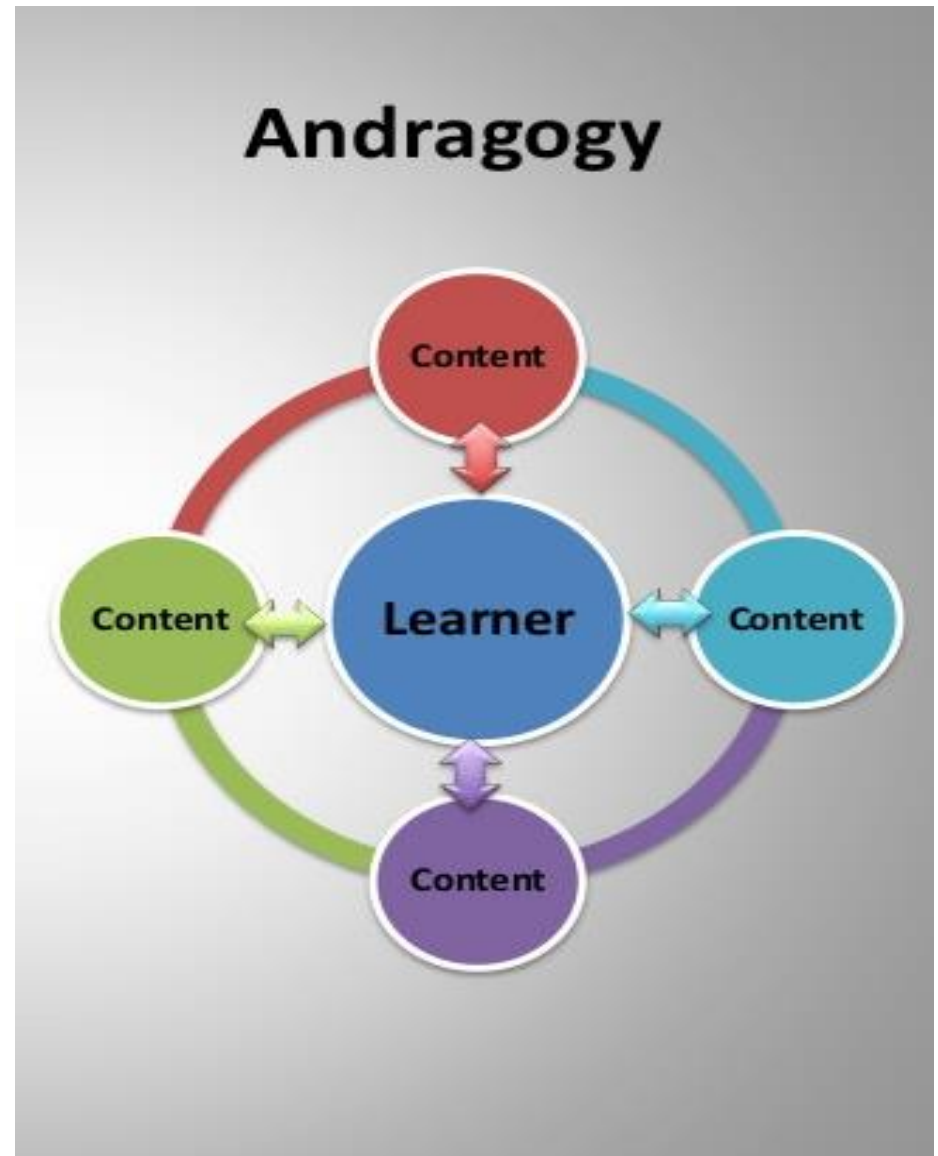

**Only 29% of today's undergraduates are traditional learners
(full-time college student right out of high school)**

**We don't just open our doors to anyone...
We open our doors to Everyone**

Knowles' 4 Principles Of Andragogy

- **Adults need to be involved in the planning and evaluation of their instruction.**
- **Experience (including mistakes) provides the basis for the learning activities.**
- **Adults are most interested in learning subjects that have immediate relevance and impact to their job or personal life.**
- **Adult learning is problem-centered rather than content-oriented.**

The Scholarship of Teaching and Learning
